

BUILDING THE CREATIVE ECONOMY

50,000+ Creatives Impacted • \$500,000+ Invested

WE INVEST IN CREATIVE COMMUNITIES

Our impact extends beyond the programs we produce.

Fashion for Charity has supported organizations and community initiatives that provide art-related education, creative skill development, and opportunities for underserved communities.

We believe strengthening the organizations already doing meaningful work creates a larger ecosystem of opportunity.

OUR AREAS OF IMPACT

CREATIVE EDUCATION

Providing access to learning experiences that develop artistic, professional, entrepreneurial, and industry-ready skills.

CAREER + INDUSTRY EXPOSURE

Creating opportunities for creatives to experience the business behind fashion, art, media, production, and other creative industries.

YOUTH DEVELOPMENT

Introducing young people to creative career pathways while helping them build skills, confidence, professional exposure, and real-world experience.

CREATIVE ENTREPRENEURSHIP

Helping creatives understand that talent is only the beginning—business knowledge, relationships, visibility, and access to resources help build sustainable careers.

COMMUNITY PARTNERSHIPS

Collaborating with schools, nonprofits, businesses, cultural institutions, and community organizations to expand our collective impact.

FASHION FOR CHARITY

DONOR SUPPORT

WHY YOUR SUPPORT MATTERS

Talent is everywhere. Access is not. A financial contribution to Fashion for Charity helps us create more opportunities for creatives to learn, showcase, connect, and build.

Donor support can help fund educational programming, internships, creative workshops, artist and designer opportunities, youth experiences, community partnerships, production resources, and platforms that give creatives greater visibility.

Your contribution doesn't simply support an event. It helps build an ecosystem where creativity can become opportunity.

WHERE YOUR DONATION GOES

EDUCATION

Workshops, courses and professional development

EXPOSURE

Showcases, exhibitions and industry experiences

ACCESS

Connections, mentorship and professional opportunities

YOUTH

Internships and creative career exploration

COMMUNITY

Partnerships with organizations expanding arts access

THE NEXT 50,000

We are proud of the more than 50,000 creatives impacted since 2011—but our work is far from finished. The next chapter of Fashion for Charity is about expanding access, strengthening creative career pathways, investing in the next generation, and helping more creatives build economically sustainable futures from their talent.

Help us reach the next 50,000.

FASHION FOR CHARITY

A LEGACY OF PURPOSE. A FUTURE OF IMPACT.

THE LEGACY

Founded in 2011 by Diane Superville, Fashion for Charity was created with a heart for community, creativity, and service. Recognizing the opportunity to grow that vision, Superville positioned Dr. Karine Melissa to lead the organization and expand its work through education, skill development, creative opportunity, and community impact.

Under Karine's leadership, that mission has evolved into programming designed to help people not only discover their potential—but develop the skills to do something with it.

The work has included summer camp programs, youth personal development initiatives, community life-skills and workforce training, skill-building and résumé development courses, and sewing programs for youth and adults designed to turn creativity into practical, transferable skills.

THE LEADERSHIP

Dr. Karine Melissa
Leader expanding the Fashion for
Charity vision

Today, Fashion for Charity sits at the intersection of creativity, education, workforce development, entrepreneurship, and economic opportunity.

Through community programming, strategic partnerships, internships, educational experiences, and LOUD® — Love of Urban Design, Fashion for Charity continues building pathways that move people from:

**EXPOSURE → SKILL → OPPORTUNITY →
ECONOMIC IMPACT**

OUR IMPACT

50,000+ Creatives Impacted. \$200K+ Invested in the Creative Economy.

And the work continues—developing the next generation of creators, entrepreneurs, professionals, and creative leaders.

JOIN US IN BUILDING THE CREATIVE ECONOMY

Your donation is an investment in the creative economy and the people who power it. Fashion for Charity directs resources toward programs, training, skill development, creative entrepreneurship, and access to opportunities that help individuals turn their talents into sustainable careers and businesses. By investing in creatives, we help generate economic opportunity, strengthen communities, create pathways to financial mobility, and build an ecosystem where creativity becomes a force for meaningful change. Your gift becomes more than a donation—it becomes someone's opportunity to learn, earn, build, and create a better future.

Invest in a creative. Impact an economy. Change a life.
